

# LIBRARY QUICK-START GUIDE

5 Tips for Connecting with Library Services, Spaces + Support

## Welcome to the Nevada State University Library!

Study, connect, and relax in the Marydean Martin Library's comfortable and innovative space located on the 2nd floor of the Rogers Student Center.

### FIND YOUR STUDY SPACE

**Looking for a peaceful place to be productive?** Enjoy a view of the Las Vegas Strip in our quiet study room or use the library computer lab. Working on a group project? Reserve a study room with a digital screen and whiteboard. Computer stations, comfy seating with power outlets, room to collaborate: we have it all.

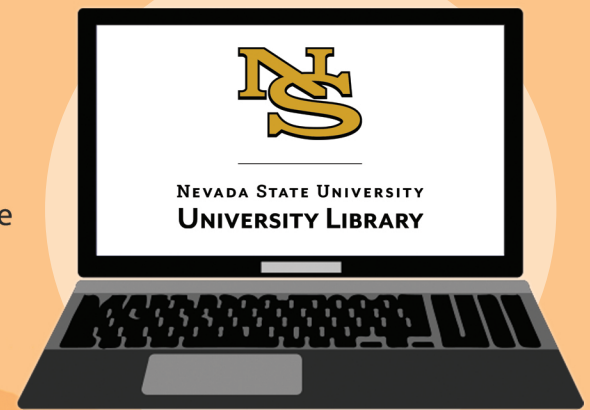

### RESEARCH ONLINE 24/7

**Access thousands of ebooks instantly** and search our extensive databases for articles, newspapers, and more. Sign in with your NSHE ID to read and research online anytime, anywhere. Start your search at [library.nevadastate.edu](https://library.nevadastate.edu).

### BORROW TECHNOLOGY FOR FREE

**Laptops. Portable chargers. Headphones.** That cable you need to connect to that thing... We have it! Borrow these items and more for free from the Service Desk with your Nevada State ID card.

### PRINT + SCAN

**Print your paper or copy a document** with one of our machines. Sending a scan to your email is free.

### ASK US

**Ask us anything**—about research, library services, or even other campus resources—and we'll connect you with people and information to help. Visit our friendly staff at the Service Desk, email, or call. You can also meet with a librarian for research help.
